A group of four Black women are sitting on a patterned couch, laughing and hugging each other. The woman on the left has her hair in a bun and is wearing a grey sweatshirt. The woman in the center is wearing a white turtleneck and yellow pants. The woman on the right is wearing a pink sweater. A fourth woman is partially visible in the center, wearing a white sweater. They are all smiling and looking towards the right. The background is a bright window with a view of a house.

# Sanlam Secure Life Plan

We all wish that we could live longer to take care of and provide for our loved ones. At Sanlam, we understand how comforting it is to know that you can help your family be taken care of when you pass away.

Sanlam offers life insurance that is easy to understand, because we take pride in building legacies. You can prepare for the future by choosing the right level of cover to suit your personal needs and your pocket.

## 2 Why choose **Sanlam Secure Life Plan**

A lump sum payout that can help your family take care of the following when you die:

- ③ Costs associated with the administration of your estate
- ③ Repayment of outstanding debt
- ③ Day-to-day living expenses

The Secure Life Plan can be used as security for a loan.

You must be between 18 and 60 years old to apply.

The minimum premium is **R100 per month** (including the policy fee).

You can choose a suitable cover amount from **R150 000 to R1 000 000.**

Affordable premiums for up to **R1 000 000 cover.**

Speak to your financial adviser for more information.

## How does it work?

Choose an affordable life cover amount that will suit your needs and budget.

Pay the premium every month for the rest of your life.

Someone else can pay your premium for you.

Acceptance is subject to certain terms and conditions, like your health and occupation.

We will only ask basic medical questions and other information when you take out the policy and no medical tests are needed. Thereafter, you are not required to inform us when your health or occupation changes.

4

## Cash back Benefit

Every 5 years you will get **20%** of that period's **premiums back**.

The cost of this benefit is calculated to be approximately **16,7%** of the **total policy premium**, based on the latest available information for an average policy.
